

# LTA YOUTH SCHOOLS - VOUCHER SCHEME - TERMS & CONDITIONS

## 10 HOURS CLUB LINK SUPPORT OPTION

### **School eligibility:**

- Following attendance at an LTA Youth Schools Teacher Training Course, the LTA will provide schools with access to a £250 digital voucher.
- The voucher is restricted to one voucher per school, regardless of how many teachers from a school attend the LTA Youth Schools Teacher Training Course.
- Schools which cater for children within the 4-11yrs old boundary (i.e. primary, infant, junior schools) or the 11-16yrs old boundary (i.e. secondary, junior, senior) are eligible to receive the voucher.

### **Voucher usage:**

- The voucher must be used to access 10 hours support for the school with a local LTA Accredited Coach, who has been trained on the LTA Youth programme.
- Under no circumstances can coaches who do not hold current LTA Coach Accreditation, or coaches who have not been trained on the LTA Youth programme deliver the 10 hours support linked to this voucher.
- It is the school's choice to select their preferred coach from the list provided and based on the criteria above.
- Once contact is made with the chosen coach, the school is then entering into a separate agreement with the coach. The school must lead on the communication arrangements; the LTA is unable to get involved with individual discussions.
- The 10 hours support must be jointly planned, between the school and the coach, in a way that maximises the number of children and staff that will benefit.
- The school and preferred coach must agree in advance on the delivery timings for the 10 hours support e.g. 1 hour per week for 10 weeks, or, 1 hour per day for 2 weeks etc.
- The 10 hours support must be delivered within curriculum time.
- The 10 hours support must be based on LTA Youth Schools programme content.
- The 10 hours of support is designed to provide further CPD opportunities for school staff and therefore, the class teacher should be present during each session that the coach delivers.
- The coach providing the 10 hours support must promote and provide an offer to continue playing tennis at a local tennis venue to all children who benefit from their delivery in school.

**Redemption:**

- The voucher is made available to eligible teachers via the LTA Youth Schools portal.
- Within two weeks of the 10 hours support having been completed, the school must complete the online voucher redemption form, to confirm the activity has taken place in line with the agreement, provide basic feedback and to provide bank details for payment.
- The LTA will consider this voucher as redeemed upon receipt of the completed 'Voucher Redemption Form' – at this point teachers will not be able to redeem against the equipment voucher code
- Payment of the £250 will only be made to the school; it cannot be made to the coach.
- Payment will be made by the LTA within six weeks of the voucher redemption form being submitted.
- It is the schools responsibility to pay the coach their £250 fee, once the 10 hours has been delivered.

**General:**

- The 10 hour support voucher will expire 12-months after the teacher completed the LTA Youth Schools Teacher Training Course.  
*Please note that in response to the COVID-19 pandemic, teachers completing the course before 31<sup>st</sup> July 2021 will have until 31<sup>st</sup> July 2022 to redeem the voucher.*

- The voucher can only be redeemed once.
- No cash alternative is available.
- The code cannot be applied retrospectively and is non-transferable.
