OUTDOOR GYM

CHILDREN'S ENERGISE MULTI GYM – OUTDOOR GYM PACKAGE 1 - £4,360 Excl. VAT

Two of SPS's bestselling pieces of equipment combined, this self-contained unit with a single safety zone, gives supervisors much greater control during PE lessons and break times whilst providing space for up to four children to exercise and play at any time. Ideal for a cardio workout, the Energise features a Single Slalom Skier at each end, flanking a Double Health Walker. Within this compact multi-gym, the Slalom Skier promotes children to flex their imaginative and exercise skills, while the Health Walker ensures that no child is left behind, providing a space that allows children move at their own pace.

Benefits:

- Targets exercises designed to build flexibility and gross motor skills in a supportive environment
- A sociable form of physical activity to set good habits for life

CHILDREN'S SPACESAVER MULTI-GYM – OUTDOOR GYM PACKAGE 2 - £4,831 Excl. VAT

This multi-gym is renowned for its clever, compact design that reduces the amount of space required when compared to installing these pieces of kit individually. Often referred to as the 'Mini Team', this multi-gym allows up to 4 users to exercise independently. The intelligent design not only optimises on space but promotes a great social environment to exercise within a safe setting.

Benefits:

- Minimal space is required to fit this multi-gym
- Promotes social exercise for a group of up to 4 children
- Instils and reinforces positive habits to promote health and support tackling obesity
- Includes popular cardiovascular workouts for a range of abilities
- Includes SPS's unique safety system, including safety stops and rubber trims

CHILDREN'S ACTIVE8 MULTI GYM – OUTDOOR GYM PACKAGE 3 - £6,317 Excl. VAT

This inclusive piece of kit features a Double Health Walker and two Slalom Skiers allowing for larger movements, a Double Waist Twister plus a Tai Chi element to promote coordination and Arm Pedal Bike set-up for wheelchair users. The Activ8 Multi-Gym provides a cost-effective physical fitness and coordination solution encompassed within a compact design. The intelligent modular arrangement allows for the exchange or addition of other equipment, allowing you to update and build upon your fitness space to support future needs. To support inclusivity, this space allows up to two wheelchair users to access this equipment simultaneously with the Arm Pedal Bike and Tai Chi Disc sections, promoting activity for every child.

Benefits:

- A versatile and inclusive set of exercises suitable for children with various abilities
- Provides opportunities to practice coordination skills whilst increasing physical activity
- Promotes mutual encouragement whilst allowing children to set their own pace
