MUSIC SETS

MUSIC SET 1 - £3,275 Excl. VAT

Start creating your musical garden, orchard, or woodland with this small collection of musical trees

Three great sounding musical trees that will entertain the children and create a nice focal point in the playground. This is a great set to start creating your musical garden and can be added to easily from our range of Virtuosos musical instruments. The instruments are supplied with aluminium T-slot posts, the panels are constructed from HDPE and include rubber beaters/mallets tethered with stainless steel cables.

Product Features

- 3 musical instruments
- Large Chime Tree, Chime Tree and Bell Tree
- User configurable layouts
- ASTM and EN compliant
- Includes aluminium T-Slot posts

MUSIC SET 2 - £4,115 Excl. VAT

Small musical garden with small, medium, and large chimes, plus a bunch of flowers

This set of musical chimes trees features one from each of the three different chime sizes we offer, which will create a nice range of contrasting tones as well as Bell Flowers to add some additional style and sound into the musical mix. The instruments are supplied with aluminium T-slot posts, the panels are constructed from HDPE and include rubber beaters/mallets tethered with stainless steel cables.

Product Features

- Giant, large and small Chime Trees and Bell Flowers
- Includes aluminium T-Slot posts
- User configurable layouts
- ASTM and EN compliant
- 4 musical instruments

SUMMER & AUTUMN SUPPLY & INSTALL OFFERS

MUSIC SETS

MUSIC SET 3 - £5,325 Excl. VAT

Create a musical garden with Chime Trees and Bell Flowers

Sit on the Toadstools and watch your friends perform their musical masterpiece, with a good selection of chimes, bells and maracas for accompaniment. The instruments and toadstools are supplied with aluminium T-slot posts, the panels are constructed from HDPE and are supplied with rubber beaters/mallets tethered with stainless steel cables where required.

Product Features

- 5 musical instruments
- User configurable layouts
- ASTM and EN compliant
- Includes aluminium T-Slot posts
- 3 Chime Trees, Bell Flowers, Maraca Tree, and 3 Toadstools

MUSIC SET 4 - £5,365 Excl. VAT

Let's Rock! The stuff Rock Legends are made of, with the Symphony No4 Musical Set

Five piece set of PlayTronic musical instruments, with traditional Bass and Lead Guitars, Drum kit, Piano and a Synthesiser if you're looking to recreate some 70's rock. The set is supplied with aluminium T-slot posts that will allow you to create your own layouts with the 45-degree post slots. Our battery powered products are a cost-effective way of getting interactive fun into the playground and with an extraordinarily long battery run time you should not be replacing batteries too often, but then again, this will be popular with the children! The panels are constructed from HDPE.

Product Features

- 5 musical panel set
- PlayTronic Battery powered
- Synthesiser, Drums, Lead Guitar,
- Piano and Bass Guitar
- User configurable layouts
- ASTM and EN compliant
- Includes aluminium T-Slot posts

SUMMER & AUTUMN SUPPLY & INSTALL OFFERS

MUSIC SETS

MUSIC SET 5 - £6,075 Excl. VAT

Great selection of musical instruments for all ages and abilities

Symphony No5 is a good one, with a nice selection of instruments including the awesome Pentatonic Cam Chimes panel which can be played by just pushing the cams towards the chimes. This group of instruments will make a good looking (if a little noisy) focal point in any playground. The set is supplied with aluminium T-slot posts that will allow you to create your own layouts with the 45-degree post slots, the panels are constructed from HDPE.

Product Features

- 7 musical instrument set
- 5 Bells, Spin Maracas, Cam Chimes,
- Bongo Tree, Shake Rattle and Roll,
- Tube and Flat Chimes
- User configurable layouts
- ASTM and EN compliant
- Includes aluminium T-Slot posts

MUSIC SET 6 - £5,525 Excl. VAT

Electronic music and percussion in the Symphony No2 Musical Set

This is a great selection of musical instruments combining our extremely popular and great sounding RotoGen Piano and Acoustic Guitar, with some great percussion accompaniment. The set is supplied with aluminium T-slot posts that will allow you to create your own layouts with the 45-degree post slots. Human powered energy is the kinetic power source for RotoGen products, making them self-sufficient and self-contained electronic products that do not require any hard wiring for power, or any batteries changed on a regular basis. The panels are constructed from HDPE.

Product Features

- 5 musical panel set
- RotoGen electronic and percussion
- RotoGen Piano, Spin Maracas,
- RotoGen Acoustic Guitar,
- Bongos and 3 Bells
- User configurable layouts
- ASTM and EN compliant
- Includes aluminium T-Slot posts
