

About UK Schools

We offer the UK's largest schools and teachers marketing database available anywhere in the UK. Guaranteed.

All UK school types are available for selection - State, Independent, Academy, Free Schools and Special Schools.

Select by school type, age range, geographic area, number of pupils, pupil-premium, school deprivation level, urban or rural location and more....

To help you choose the schools you want to reach, here is a simple guide to UK schools and nurseries.

There are c. 32,245 Schools in the UK - and c. 18,100 Pre-schools/Nurseries
